

HRI INTERNATIONAL HOMEOPATHY RESEARCH CONFERENCE, BARCELONA 2013

Guidelines for submission of abstracts

Deadline: 1 December, 2012

HRI welcome's abstracts for oral and poster presentations from researchers, post-graduate students, research trainees, homeopathy practitioners and educators.

Following peer review by a selection committee, those of the highest standard will be invited to make an oral presentation and approximately 40 will be selected as poster presentations.

As we are looking to present snapshots of people's latest work, we will be having a mixture of short and longer presentations (i.e. 15, 30 and 45 minute durations, including questions). We therefore encourage submission of preliminary/as yet unpublished findings. **If you prefer to only be considered for a poster presentation**, please make this clear in your submission.
